

New Educational Video
Lewis and Clark:
Montana's Story
Order Form/Invoice

This 22-minute video tells the story of Lewis and Clark emphasizing peoples, events and discoveries that make the story of Lewis and Clark in Montana significant to the expedition.

Highlights include interviews with Montana Tribal historians, Lewis and Clark guides and historians, and Dr. Stephen Ambrose. The quality video footage features what today's explorers could discover as they retrace the Lewis and Clark Trail System in Montana.

The video was developed by the Travel Montana Superhost Customer Service Training Program at Flathead Valley Community in cooperation with the Montana Lewis and Clark Bicentennial Education Committee.
